

Align Your Business with Allied's Bond Division

Allied Solutions is one of the largest independent agents of financial institution insurance with a vast network of brokers and producers. Our staff has unsurpassed technical expertise including an average of over 30 years of underwriting, risk management and claims experience.

It is this commitment and expertise that has helped us save our clients millions of dollars in insurance premiums over the last 20+ years. We have earned the prestigious NAFCU Services Corporation's 'Preferred Partner' status, which has led to strong partnerships with insurance carriers including an exclusivity with Co/Action Specialty.

Allied Solutions offers a diverse array of products and services for your financial institution or CUSO. An independent insurance agency, Allied represents the finest insurance carriers that enable us to customize the best solution for you.
