[www.nafcu.org/webcasts/](http://www.nafcu.org/webcasts/)

Select the NAFCU webcast that you would like to sponsor and NAFCU will upload your provided banner ad below the right large screen (see above sample). Plus, your banner ad will be hyperlinked to your company website. That's not all! Your company will be verbally recognized as a sponsor during the webcast by the speaker/moderator. This is a great opportunity to get full exposure in front of credit union webcast attendees. Average credit union viewer is from 35-1500 people.
