ALLIED SOLUTIONS' BOND DIVISION JOINS NAFCU SERVICES PREFERRED PARTNER PROGRAM FOR BOND AND RELATED INSURANCE SOLUTIONS

WASHINGTON — NAFCU Services Corporation announced today that Allied Solutions, LLC Specialty Lines & Bond Division has become a Preferred Partner for Bond and Related Insurance Solutions. Allied is one of the largest independent insurance agencies in the country specializing in Bond and Property Package Insurance for credit unions, with over 700 clients nationwide.

The selection follows a nine-month process and rigorous evaluation by the NAFCU Services Corporation Advisory Committee, composed of credit union executives.

“The market for bond and related insurance solutions has become much more crowded in recent years, both in terms of coverage and cost,” said Patrick Touhey, senior vice president, Allied Solutions. “In addition, technology and the pace of change mean that risks are evolving ever more quickly. From a credit union perspective, that puts a premium on making sure that your coverage is as up-to-date and competitive as possible.”

“We’re thrilled to have Allied Solutions bond division joining our program,” said David Frankil, president, NAFCU Services Corporation. “We found their strong focus on solutions in particular was a great fit. Being proactive in working with clients to reduce claims exposure is essential, and Allied has developed a great set of programs with their insurance partners to help credit unions of all sizes.”

Allied Solutions is a leading insurance and financial services company that has been working with financial institutions for more than 26 years. Allied Solutions has relationships with more than 2,600 financial institutions around the country. It provides
