Re: S. 2155, the *Economic Growth, Regulatory Relief, and Consumer Protection Act*

Dear Chairman Sessions and Ranking Member McGovern:

On behalf of the National Association of Federally-Insured Credit Unions (NAFCU), the only trade association exclusively representing the federal interests of our nation's federally-insured credit unions, I write to thank you for scheduling today's meeting on S. 2155, the *Economic Growth, Regulatory Relief, and Consumer Protection Act*. I also write to urge you to have the House consider S. 2155 under a closed rule to avoid any amendments that could impact the future of the bill.

As you know, S. 2155 has been negotiated amongst both the House and Senate over the course of the past several months. This bipartisan legislation is an important step to provide credit unions with regulatory relief. NAFCU asks the Committee to advance this legislation, and we urge the House to support it.

We thank you for your attention to this issue and your consideration of this measure. If you have any questions, or would like further information, please do not hesitate to contact me or NAFCU's Vice President of Legislative Affairs Brad Thaler at (703) 842-2204 or by email at bthaler@nafcu.org.

Sincerely,

B. Dan Berger
